\* this is the trip price without early bird discount. There is a \$200 discount for signing up for the Kilimanjaro and Patagonia trips by 9/30/06. Otherwise there is a \$50 discount for signing up for domestic (including Canada and Mexico) trips 4 months in advance and \$100 for international trips 6 months in advance.

\*\* this is the predominant lodging type. Many of our camping trips have a night of indoor lodging before and/or after the camping. If it lists both, there is a more even balance of type.
